The screenshot shows the MediaFire website interface. At the top, there is a navigation bar with a Facebook icon, the MediaFire logo (a rocket with the text 'MEDIA FIRE' and 'Unlimited Fire Speed Downloads' below it), and user account options: 'Upload', 'Premium', 'Make Money', 'Mon compte', 'mes fichiers', 'se deconnecter de', and 'French'. Below the navigation bar, there is a section for 'Sponsored Download Links' with a table of download options:

Sponsored Download Links	Speed
MediaGet for Mac.dmg - [FAST Download]	3996 kps
MediaGet for Mac.dmg - [Full Download]	3498 kps
MediaGet for Mac.dmg - [Verified Download]	2996 kps

Below the table, there is a file information box for 'MediaGet for Mac.dmg':

- nom de fichier : MediaGet for Mac.dmg
