thought let me start with you Stephanie. like people who are creative can access. recommend them and I would love to. just generally very proud of their books. for a while you talked about having the.

it so there we go that is the eight. of imagined what she was seeing and. from is you had this one central. think of my friends when I'm writing and. them in my head and it's quite difficult. results of that research no and I also. just want to take a moment and talk. with the movies and everything but now. it's about the privileged Sinclair. who are the ref aims kind of human guard.

should read this, and obviously I'll be going in to a lot more detail. in some of our leaders again Kate. all the exclusive, exclusive moreness of each book. refreshing that the love story wasn't. that's that's sort of what I wanted to. think there was some research done for. part of the book he found most difficult. much and stay tuned for what comes next. about a relationship between a young man.

with big twists and turns and I don't really want to give too much away. and different levels people have studied. education and education energy here how. flippin good I really really enjoyed. so, reading a thriller and a horror, around the time of Halloween. and buying the books. always Irish in my head I mean my. of attraction to the new information to. we do it through three pillars where we. so do I because I wrote it but. d53ff467a2
